Appliance failure

Each and every product within the hire fleet and laundry is checked and in some cases serviced on an annual basis. ie PAT testing of electrical products and CORGI GAS safety check on every gas product. In the unlikely event of appliance failure every effort will be made to rectify or replace the appliance, hopefully during your stay. If however this is not possible due to for example to spares availability or suitable replacement product no reduction in tariff or compensation will be given.

Please note that should you wish to extend your stay beyond the booked dates there is no guarantee that the same accommodation will be available.

It is regretted that no refunds can be given if guests depart prior to the end of the booked holiday, unless they do so as the result of the breach of some obligation on our part which would justify cancelling the holiday.

Complaints.

If you have a complaint about anything during your holiday please raise it with Howard or Elizabeth immediately and if you wish to pursue it following your departure please write to us within 28 days of your departure. However we do suggest that you try and complete a report about the complaint while you are on holiday.
